Log # 0003-05

Date Received 9/21/05

Date to Committee 9/26/05

Date to Board 1/10/06

Board agrees not to released this opinion 1/10/06

QUESTION:

If a potable water system is large enough or if the system is used often enough, would an expansion device be required, even though the plans or a letter from the architect state that it is not required?

REVISED QUESTION:

If a potable water system is large enough or if the system is used often enough, would an expansion device be required, even though the plans or a letter from the architect state that it is not required?

NO OPINION:

The committee was unable to reach a consensus on this request.

It is the opinion of the committee that we did not come to a conclusion, the number of those who responded were equal and evenly divided.

Final Vote 4/4

This opinion is not meant to be a binding code interpretation.
